Dear Berrh holder

October 2007

Please find enclosed herewith our Scale of Charges for 2008/2009 season. Copies of our Terms of Business and licence for berrhing, mooring and storage ashore are available on request from the harbour office and for view in the chandlery.

As is normal practice, for legal reasons, we ask all our existing berrh holders to complete a new application form each year, giving details and marking the period required. If you do not require a berrh next year it would be appreciated if you could fill in your name and return it marked "Berrh not required". The attached form must be completed and reach us by 25th November 2007. Should any application not be received by this date, it will be assumed that the berth is available for reallocation.

We are continually re-assessing and evaluating berrh holder's requirements and we welcome all constructive comments, please address any thoughts you may have to myself.

Yours sincerely

Jonathan Dyke  
 Managing Director
