

SUFFOLK YACHT HARBOUR: COVID-19 GUIDANCE

From 19th July, England moves to Step 4 of the roadmap, removing legal restrictions on social distancing and mask-wearing. However, the Government has advised everyone should continue to be cautious and careful whilst cases of COVID-19 remain high.

From 19th July:

- You do not need to stay 2 metres apart from people you do not live with. There are also no limits on the number of people you can meet.
- However, in order to minimise risk at a time of high prevalence, you should limit the close contact you have with those you do not usually live with and increase close contact gradually. This includes minimising the number, proximity and duration of social contacts.
- Meet outdoors where possible and let fresh air into homes or other enclosed spaces.
- The Government is no longer instructing people to work from home if they can.
- The requirement to wear face coverings in law is now lifted. However, the Government expects and recommends that people wear face coverings in crowded areas such as public transport.

During this time of transition, the Government has asked the public to use personal judgement to manage own risk and exercise common sense.

SYH encourages adherence to the UK Government's COVID-19 guidance; full details of the recommendations can be [found here](#).

Finally, SYH is committed to supporting its customers and ensuring the safety of all vessels at the harbour. The team is available via the contact details below to answer queries or discuss any concerns. Any future announcements will be made via the SYH website, email newsletter (sign up via the website) and social media pages.
